Relevance of our experience and capacity to the project

## Land Leveling

### 1. Experience

We have done Land Leveling for Irrigation Schemes at Muona, Msikita, Kaombe, Mwamphanzi, Wowo and Lingoni Schemes

### 2. Equipment

We have Graders, Dozers and Survey Equipment (Differential) for Land leveling works

## Drilling and Excavation

### 1. Experience

We have done Drilling for Bridge Piles, Borehole, and Mining works

### 2. Equipment

We have drilling equipment of varying capacity and diameters for such works.

For excavation, we have diggers like excavators and backhoes for such works.

## Concrete Works

### 1. Experience

We have done volumes of Concrete for Bridge Construction, Buildings and Road Pavements construction.

### 2. Equipment

We have Quarry Crusher, Batch Plant, Mobile & Stationed Mixers, Shutter & Scaffolds for concrete works.

## Road Works

### 1. Experience

We have done several roads using gravel, crushed stone (chip-seal), asphalt and concrete materials.

### 2. Equipment

We have all required types and numbers of equipment to handle any kind of road works in Malawi.
